

# Skenandoa Junior Days Dates

**This year we are adjusting our Junior Golf Camp to revolve around both the Golf Course and the Pool. Our hopes are to generate a more family included junior camp. We will be hosting fewer sessions than previous years but the sessions will run double what they used to. We will also be providing lunch for the kids each week. Your kids are not going to want to miss out on a great time with friends golfing and swimming up at The Skenandoa Club!**

**Juniors will have supervised golf instruction with PGA Professionals John Taranto and Tim Scoones. After golf is concluded at 10:30 juniors will be walked over to the pool where we will have lunch available each session by our own Chef Dewey!**

**Concluding lunch the juniors will participate in different activities at the pool. Parents are welcome to come and relax poolside while the camp is underway! Golf will run from 9:00-10:30 lunch from 10:45-11:15 and pool from 11:30-1:00.**
